

DONATION

We need your help to keep our service going:

There are several ways to support LifeLine.

For more information please phone Shelley on 07 8380715.

Become a monthly donor:

Even a small, **regular monthly donation** will make a huge difference to our work. \$10 a month would help to train a new volunteer or \$25 would cover some of our monthly phone costs.

Other payment options include setting up an AP.

For more information please phone Shelley on 07 8380715.

Make a bequest

Bequests are an important source of income for the non-profit sector. The wonderful thing about bequests is the long-term effect they have on the lives of New Zealanders. Many of the support services and research advances we enjoy today have been funded through the generosity of those who have gone before.

Donate directly from your pay or wages through Payroll giving:

Payroll giving (also known as workplace giving) is now available and is an **easy, flexible and efficient** way to make your donation work even harder for LifeLine.

Payroll giving gives you the opportunity to donate to approved donee organisations like LifeLine **direct from your pay** and receive immediate tax credits that **reduce your tax (PAYE).**

For more information please phone Shelley on 07 8380715.
